I/O Connectors, Interface Connectors, and Adapter for miniSD™ Card Notice of Discontinuance of Production

We regret to inform you that we will discontinue the production and sales of I/O connectors, Interface connectors and Adapter for miniSD™ card.

We would like you to notify existing users and potential customers of these products accordingly.

1. Reason of the Discontinuance

As the market demand for the above-mentioned products has decreased, we are faced with fewer orders and lower sales.

Furthermore, the current worldwide recession has been making it difficult for us to keep our products profitable. In order to cope with this business environment, we must narrow down our product lineup. As part of this policy, we will discontinue the production and sales of the above-mentioned products.

We greatly appreciate your understanding.

2. Production discontinuance schedule
